

# Navajo Nation IRB

For external requests on real-time studies on campus will require the following process:

1. Approval from organization requiring the study to be done (universities, organizations, etc.).
2. Submission of entire study submitted to OIPR
3. OIRP will review and provide an acceptance of denial memo
4. If approved, requested must complete an application and presentation with the Navajo Nation IRB (Human Research Review Board). Memo of approval or denial will be submitted to Dine' College.
5. If approved, study at Dine' College can be done.
6. \*\*some research or projects may require the attention of the Executive Team and/or Board of Regents for approval.
