This document guides you through the process on how to log into Canvas LMS through your MyDCPortal.

1. Navigate to <https://www.dinecollege.edu/>
2. Click on *MyDCPortal*.

3. Login with your DC username and password. Once done, click *Sign In*.

4. Click on the *Canvas* tile as shown below.

5. Upon successful login, you will see the following page.

The screenshot shows the Canvas LMS dashboard. On the left is a vertical navigation menu with icons for Account, Dashboard, Courses, Calendar, Inbox, History, Studio, and Help. The main content area has a header with the word "Dashboard" and a three-dot menu icon. Below the header is a large red-bordered box containing the text: "Courses will show here if you are registered for courses." Above this box are two blue notification banners. The first banner says: "Welcome to Canvas! You don't have any courses, so this page won't be very exciting for now. Once you've created or signed up for courses, you'll start to see conversations from all of your classes." The second banner says: "Notifications. Tell us how and when you would like to be notified of events in Canvas." with a "Notification Preferences" link. On the right side, there is a "Coming Up" section with a "View Calendar" link and the text "Nothing for the next week", and a "View Grades" button. At the bottom of the page, there is a footer with the INSTRUCTURE logo and links for Privacy Policy, Cookie Notice, Acceptable Use Policy, Facebook, and X.com.

NOTE: Your registered courses will be listed under the *Dashboard* section.
