Open ended questions as is.

What questions do you still have regarding the objectives of the workshop?
1. No question
2. No questions
3. All my questions were answered.
4. Will we proceed to financial aid?
5. Mainly about my financial aid documents to do my check up on it.

What was new or enjoyable for you in today's workshop?
1. That financial need is everywhere.
2. The tour
3. The tour was informative and the staff are really nice. Everyone seems happy to help.
4. Everyone was friendly.
5. The ice breaker.
6. I learned more about the college academics.
7. Learning about the campus and having more knowledge about paying for college, learning that having work-study can help.
8. Everything was enjoyable today and I've learned so much today.
9. About the work-study
10. Meeting new people, socializing and getting information bout dine college.
11. New classmates
12. I enjoyed the activity with the ice breaker.
13. The scholarships and pull grants I can apply for as well as for federal work study program.

What part of the presentation or activities did you find most effective and why?
1. Financial aid presentation
2. Ice breakers, and because the help get a lot out of our shells.
3. The financial aid presentation helped me understand how financial aid works and what scholarships are available to me (plus the statistics of other scholarships).
4. FASFA
5. The financial aid.
6. The mentors were helpful and the opportunity to work with them as well.
7. Learning about financial aid, FASFA, and so much more.
8. The ice breaker because everyone got involved.
9. It was about financial analysis and scholarships
10. NA
11. Campus tour, familiarized new students with the campus.
12. I enjoyed that the security presentation was effective. It's good that they will improve the campus.
13. Mainly the buying and ordering books. I was sort of confused on some things dealing with student accounts.

What part of the presentation or activities did you find least effective and why?

1. The last fifteen minutes were a drag. Probably hungry.
2. Everything was fun
3. Everything was good.
4. I found everything interesting.
5. All the presentation or activities were effective.
6. It was very informative.
7. NA, everything was essential.
8. NA
9. Mainly the classes and credits hours or first year experience

What other improvements would you recommend for this workshop?

1. I am not sure. Effective as it is.
2. None
3. An extra hour
4. They did great.
5. More hands on activities.
6. NA
7. The workshop of helping one another in a comfortable way.

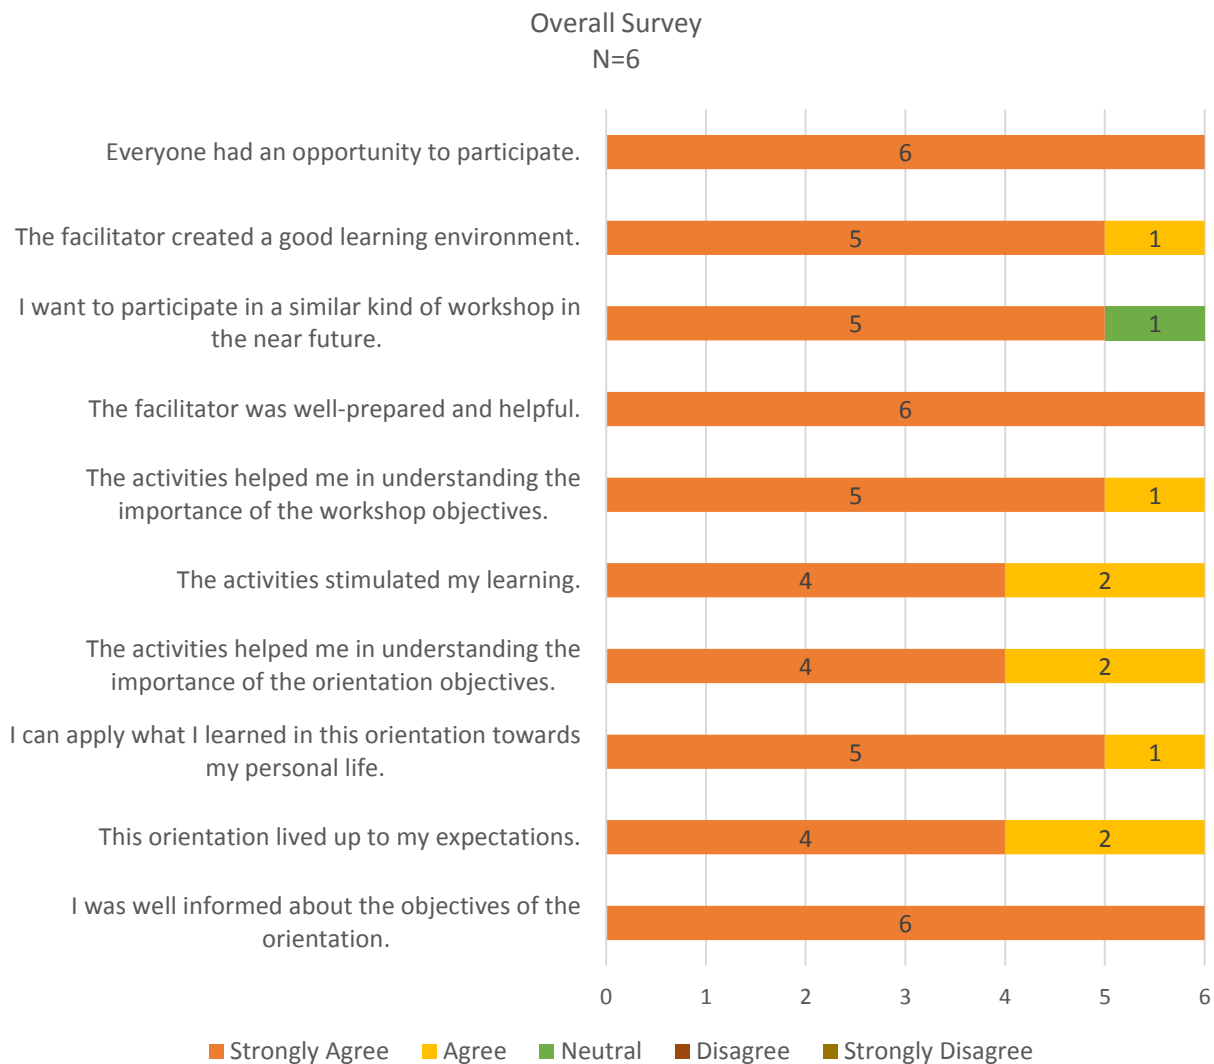

Additional Comments:

1. No improvements
2. Good orientation
3. Keep up the good job.
